

CRUFTS 7th - 10th MARCH 2019: TRADE STAND APPLICATION - Notes to applicants - please read before completing application form

We would point out, however, that the issue of the application form and subsequent completion and return of the form does not guarantee that a site will be allocated. Preference is given to exhibitors that attended the 2018 show and then Discover Dogs Exhibitors (see www.discoverdogs.org.uk for details of London's biggest dog show) .

Stands 21m² and over - £20.00 + VAT

As previously stated first preference will be given to exhibitors who attended last year's show and then to Discover Dogs exhibitors. If you have a preferred location then please submit a covering letter with your completed application form. **Please note that we will not be able to enter into any advance discussion regarding stand positions and size prior to allocation.** This is because we will not know what is likely to be available until all applications have been received and stands have been allocated to previous exhibitors.

For your information, the allocation of trade stand space will commence around early October and will take some weeks to complete. **You will be notified by late November at the earliest** if your application is successful. Please note that Crufts is a popular show so not all applications will be successful.

Please be aware that applications without a deposit enclosed will not be accepted. This will only be cashed if we are able to offer you stand space however please note that the deposit is not refundable under any circumstances once space has been allocated.

We hope that you will wish to take part in what we hope will be another memorable Show and look forward to receiving your application by Friday 28th September 2018.
